ભારતનું અર્થતંત્ર આંતરિક તથા બાહ્ય અનેક પડકારો હોવા છતાં મજબૂત રીતે આગળ વધી રહયું છે. જેના કારણે બેંકોના ગુણવતા ધરાવતા ધિરાણોમાં વૃદ્ધિ થવાની શક્યતાઓ છે. ૨૦૩૦ સુધીમાં ભારત વિશ્વની ત્રીજી સૌથી મોટી અર્થવ્યવસ્થા બને તે પણ સંભાવનાઓ છે. ભારતનો GDP વૃધિ દર વર્ષ ૨૦૨૩-૨૪ માં ૭.૬% જેટલો રહેલ હતો. જે વર્ષ ૨૦૨૪-૨૫ દરમ્યાન ૮% જેટલો રહેવાનું અનુમાન છે. ધિરાણનો વૃધ્ધિ દર પણ વર્ષ ૨૦૨૪-૨૫ માં અાશરે ૧૫% રહે તેવું અપેક્ષિત છે. વળી, વર્ષ ૨૦૨૪-૨૫ માં કુગાવાનો દર ૪.૫૦% ની આસપાસ રહે તેવી શક્યતા છે. રિઝર્વ બેંક દ્વારા પણ સતત આઠ વખતથી રેપો રેટમાં (૬.૫૦%) બદલાવ કરવામાં આવેલ નથી તથા દેશની અર્થવ્યવસ્થા પ્રત્યેના દૃષ્ટિકોણમાં પણ બદલાવ કરેલ નથી. વધુમાં વિતેલા વર્ષ દરમ્યાન રિઝર્વ બેંક દ્વારા અર્બન કો.ઓપરેટીવ બેંકીંગ ક્ષેત્રને મજબૂત બનાવવા સિસ્ટમ તથા પ્રક્રિયામાં ઘણા ફેરફારો કરવામાં આવેલ છે.

વર્ષ દરમ્યાન ટેક્સ્ટાઈલ, મેટલ વગેરે ઉદ્યોગોઓએ થોડા ઘણા અંશે મંદીનો સામનો કરવો પડ્યો. આમ છતાં રીટેઈલ ફાઈનાન્સ જેવાં કે હાઉસીંગ લોન, કાર લોન વગેરેમાં સારી એવી વૃધ્ધિ જોવા મળી હતી. આપણી બેંકે સૌથી વધુ સ્પર્ધાત્મક ધોરણે કારનું ધિરાણ કરેલ હતું. વર્ષ દરમ્યાન આપણી બેંકે રા. ૯૭.૯૬ કરોડનું કાર ધિરાણ કર્યું હતું. જેના કારણે બેંકના ગ્રાહક વર્ગમાં ઘણો વધારો થઈ શક્યો છે.

બેંક દ્વારા લઘુ તથા મધ્યમ કદના ઉદ્યોગોને પણ સ્પર્ધાત્મક દરે ધિરાણ કરવામાં આવેલ હતું.

# INDEPENDENT AUDITORS REPORT

To, The Members, Nutan Nagarik Sahakari Bank Ltd.

#### REPORT ON FINANCIAL STATEMENTS

#### **Opinion:**-

- 1. We have audited the accompanying financial statements of Nutan Nagarik Sahakari Bank Ltd ("the Bank") as at 31 March 2024, which comprise the Balance Sheet as at 31 March 2024, the Profit and Loss Account, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the Notes thereon give the information required by the Banking Regulation Act, 1949, the Multi State Co-operative Societies Act, 2002 and the Multi State Co-operative Societies Rules, 2002 and guidelines issued by Reserve Bank of India and the Central Registrar of Cooperative Societies ("the Acts"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Bank as at March 31, 2024 and its profit and its Cash Flows for the financial year ended on that date.

#### **Basis for Opinion:-**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Banking Regulations Act, 1949 and the rules made thereunder and under the provisions of the Multi State Co-operative Societies Act, 2002 and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Management's Responsibility for the Financial Statements:-

4. The Bank's Board of Directors are responsible for preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by ICAI, provisions of Banking Regulation Act, 1949 and the Rules made thereunder, provisions of Multi State Cooperative Societies Act, 2002 and the Rules made thereunder and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Acts for safeguarding the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing Bank's Financial Reporting progress.

#### Auditors' Responsibility for the audit of the financial statements :-

- 5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
  - As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design procedures that are appropriate
  in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal
  control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
  whether the financial statements represent the underlying transactions and events in a manner that achieves fair
  presentation.
  - We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  - We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### (10) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

A provision is recognised when the Bank has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. When there is a possible or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

#### **Contingent Liabilities**

Contingent Liabilities are disclosed when there is a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank or any present obligation arising from past event which is not recognized since it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of such obligation cannot be made.

#### (11) <u>IMPAIRMENT OF ASSETS:</u>

The bank assesses at each balance sheet date whether there is any indication that an asset may be impaired. Impairment loss, if any, is provided in the Profit and Loss Account to the extent the carrying amounts of assets exceed their estimated recoverable amount. Since the Bank has ascertained that there is no material impairment of any of its assets, no provision on account of impairment of assets is required to be made.

#### (12) EMPLOYEE BENEFITS:

#### **Gratuity:**

The Bank provides for gratuity payable to all employees. The benefit vests upon completion of five years of service and is in the form of lump sum payment to employees on resignation, retirement, death while in employment or on termination of employment, an amount equivalent to 15 days salary plus eligible allowances payable for each completed year of service, as per the Payment of Gratuity Act,1972. The Bank makes contributions to funds administered and managed by the LIC of India. The defined gratuity benefit plans are valued by LIC as at the Balance Sheet date using the projected unit credit method as per the requirement of AS-15 "Employee Benefits", to determine the present value of the defined benefit obligation and the related service costs. Under this method, the determination is based on actuarial calculation which includes assumptions about Mortality rate, Attrition Rate, Discount Rate, Salary Escalation and Expected return on Plan Assets.

#### **Provident fund:**

In accordance with law, all the employees of the Bank are entitled to receive benefits under the provident fund. Every employee contributes an amount, on a monthly basis, at a determined rate. The Bank contributes the amount as prescribed by law. Contribution made by bank is expensed and charge to profit & loss account as part of employee benefits.

#### **Leave Encashment:**

In respect of leave encashment liability, the Bank has obtained Insurance Policies with LIC which covers the liability towards leave encashment of the bank till the age of 60. The shortfall, if any, between projected benefit obligation and the fair value of plan assets as on 31st March is provided for and recognized as expense in the Profit and Loss Account.

In respect of employees above 60 years who are not covered by the insurance policy taken with LIC the bank is making provision based on the estimated liability on gross basis without discounting the same for it's present value. Such liability is not represented by corresponding plan assets and the payment as and when made is met out of the normal cash flow of the bank.
